

Training Gear

Welcome to Game of Bones Dog Training! I'm super excited to work with you and your dog. For your training sessions you will need:

1.) Treat Pouch - This little bag clips to your belt or pocket (some even have belts attached to them) and carry the rewards that you'll be using with your dog. There are various types of treat bags that you can purchase on Amazon or PetSmart. Find one that you like and works best for you. If you need to borrow a treat pouch until you can purchase one, just let us know and we'll bring one to your first lesson.

2.) Leash and collar or harness - Make sure that your dog is ONLY wearing a flat collar or harness (or both) during class and you are using a 5-6ft flat leash. No retractable/zip leashes. Keep in mind that we may need to upgrade or change gear during your sessions, but that is always something we will discuss first!

3.) Training rewards - This is your "money" that you will be learning to use to pay your dog for their hard work and attention. **Please see the document labeled "Training Rewards & Value" located on the Downloads page on GameOfBones.me**

If you need a little help or are having trouble finding these things, just reach out and we'll lend a hand. See you in class!
